HAVANA ON CIA DIRECTOR APPOINTMENT

HAVANA DOMESTIC SERVICE IN SPANISH 2300Z 12 APR 65 F

(TEXT) WITH A DISMISSAL VERY LITTLE DIFFERENT FROM THAT FOR ANY SECOND-RATE OFFICIAL, PRESIDENT LYNDON JOHNSON LET CIA CHIEF JOHN MCCONE GO. MCCONE WAS ONE OF THE PRINCIPAL U.S. OIL MAGNATES AND CLOSELY LINKED TO THE ARMAMENTS MONOPOLIES OF THE UNITED STATES.

AFTER COVERING YANKEE IMPERIALISM WITH DISCREDIT IN SOUTHEAST ASIA, HE FELL JUST AS DID HIS PREDECESSOR. ONE RECALLS THE RESOUNDING FALL OF ALLAN DULLES AS A RESULT OF THE FAILURE OF THE MERCENARY INVASION OF PLAYA GIRON.

HOWEVER, THE YANKEE MAGNATES CONTINUE TO HOLD SWAY. NOW THE NEW CIA CHIEF IS MILLIONAIRE WILLIAM F. RABORN, RETIRED ADMIRAL AND VICE PRESIDENT OF THE AEROJET GENERAL CORPORATION, WHICH RECEIVES LARGE ORDERS FROM THE PENTAGON.

HE WILL NOT BE THERE LONG ENOUGH TO PROFIT FROM HIS JOB IF HE FOLLOWS THE EXAMPLE OF HIS PREDECESSORS. HE WILL FALL AS ALL THE OTHERS HAVE FALLEN, AND LIKE THEM, AS FIDEL SAID, HE WILL LAND ON THE RUBBISH HEAP OF HISTORY.
